CONSIDERATION OF A RESOLUTION
ON ACADEMIC INTEGRITY AND CU
MATRICULATION

CARL FRANCK

October 13, 2010
Resolution to Include Agreement to Abide by the Academic Integrity Code as a Requirement for Matriculation into Cornell’s Undergraduate Degree Programs

Whereas, as a center of learning and inquiry, Cornell is proud of its Code of Academic Integrity, (http://cuinfo.cornell.edu/Academic/AIC.html) but continues to suffer significantly from violations of the Code.

Therefore, in an effort to increase awareness of the Code, and better establish it as a part of Cornell identity, the Senate resolves, following consultation with the Advisory Committee of the Associate Provost of Admissions and Enrollment, that acceptance of the Code should be a requirement for matriculation into Cornell's various undergraduate degree programs. Specifically, a student’s affirmation of acceptance of Cornell’s offer of admission should include language stating that the student will abide by the Code.

Submitted by:
Carl Franck, Senator, Physics
Terrill Cool, Senator, Applied & Engineering Physics
Ephrahim Garcia, Senator, Mechanical & Aerospace Engineering
Linda Nicholson, Senator, Molecular Biology & Genetics
Shawkat Toorawa, Senator, Near Eastern Studies
