RESOLUTION ON COMPUTING AND INFORMATION SCIENCE
FROM THE COMMITTEE ON ACADEMIC PROGRAMS AND POLICIES

WHEREAS, we are encouraged by reports of progress on plans for the roles of the Dean for CIS and the structure and function of both the Office of Dean for CIS and the Faculty of Computing and Information Science (FCIS),

THEREFORE, BE IT RESOLVED, that the significant and wide-ranging impacts of these plans on the Ithaca-based colleges of Cornell requires that the Faculty Senate be informed fully and in a timely fashion on the progress of these plans so that the Faculty Senate may provide advice as is consonant with the prerogatives of the faculty.
